4. To undertake the activity of Khadi and cottage industry and village industry in toto to curb unemployment and to minimise economical inequality and to undertake such activities and to secure help and to extend such help for such work.

5. To undertake the evils like untouchability, Awareness of women, Youth activity, communal integrity, removal of useless tradition etc.

6. To undertake activities for stopping the exploitation of people under the field and to make their life full of requirements.

7. To build houses for residence through relative agencies.

8. To help the people of the field to provide medical aid and to manage dispensaries for that to organise Dental camps and clinics and to organise activities for medical help.

9. To relieve people of field from bad customs, useless beliefs and bad deeds and to educate people for social revolution economy, self sufficiency and saving.

10. To help or to obtain help for the people of the field who are sick, weak, having lost any limbs, shelterless and poor indigent.

11. To rescue people becoming victims of rail-accident, heavy winds, Big diseases, Famine, Heavy rains and other natural calamities. Such people may be from the field or from outside the fields.
  12. To undertake all activities of community development.
  13. Over and above the above activities, to publish publications, relating the objectives and above mentioned services, and to manage periodicals and to promote such publications.
  14. To attain these objectives, to organise study circles, camps, conferences and seminars.
  15. To open branch offices outside the field of the work and to undertake all kinds of activities to fulfil the above objectives.
  6. (\*) To accept, over and above the amount being received for carrying the above activities, donations and moveable and unmoveable properties and donation amount, to utilise the money, to open accounts in the bank and to manage them, to open accounts in the bank, to hire properties and to let them out and to purchase such and to let out such and to manage such, to borrow loan by mortgaging the moveable and immovable properties or to take loan against such or by way of debentures or to lend money as such to make income of debenture or to lend money as such to make income or spend for the objectives of the trust, taking care that it should not be contrary to the objectives of the Trust.
  7. By majority of vote of 2/3rd, the trustees can utilise such money remaining unutilised even by completing such activities as shown above, for any of the work and can help from such amount.
1. TRUSTEES

We are six trustees and for the objectives as above, accept the aforesaid amount and unanimously resolve that by a majority matured person can be appointed as trustees in the Board of Trustees but such number of such trustees will not exceed more than seven.
  2. If any trustee becomes weak either physically or mentally and becomes unable to work on that account, or resigns therefor, or becomes a defaulter or dies or has to sustain imprisonment for the offence of immorality, his office will be considered as vacant.
  - (\*) None of the above activity will be undertaken with a object of making any profit thereon.
  3. The board of trustee will consist of minimum trustees and if that number decreases, the work can be carried out by appointing additional trustees in the first instance. The current trustees can appoint matured trustees for the vacant posts of trustees remaining as such for any reason whatsoever.

4. The Trustees are empowered to name its different suborganisations and to change such names from time to time.
5. The ~~Trustees~~ are empowered by a majority of 2/3rd vote only this trust or any part of its activities can be handed over to a person or any organisation.
6. The Trustees will be empowered to appoint such committees or advisory committees or ~~to~~ ~~be~~ ~~formed~~ ~~by~~ ~~them~~ ~~and~~ ~~to~~ ~~elect~~ ~~their~~ ~~Chairman~~ or to empower or to entrust the work and responsibility carried by them and in such committee any outside person can be appointed.
7. Bank account etc. can be opened in the name of any three of the trustees as decided by the trustees but any two of such will operate the account by their joint signature.
8. The trustees will elect their President every by five years, and other as Managing Trustee, and they will continue till the new election and will be eligible for reelection.
9. The Managing Trustee in power from time to time will have the power to prosecute the cases of civil, criminal or government Mulki courts for the properties of the Trust. In normal cases, the Managing Trustee will have right to execute all the work of the Trust and he can give letter of authority for such work.
10. In the absence of the President, the Managing Trustee will perform all the duties in the meeting of the Trust.
11. Every work will be decided by majority of the trustees attending the meeting. The President or in his absence the Managing Trustee can give his one more vote over and above of his own, as a casting vote, in case there are equal votes at both ends. No Trustee can give vote by way of proxy.
12. Any resolution can be passed by a circular resolution, without calling the meeting of the Board of Trustees by a written consent of the Trustees but majority of members should have given consent in writing for that.
13. The quorum of the meeting can be considered by attendance of four members. Non-quorum meeting can be convened with reference to the earlier meeting, after a week and the work carried out in such meeting.
- 13A. Irrespective of the provisions made in 11, 12 and 13th sub-column of column 8, the trustee will have to take decision by remaining present in that meeting, for all the work of Khadi and Village Industries.
14. Any trustee can be assigned any work over and above the responsibility as a Trustee and for such work The Trustees could give them honorarium, salary, or prize or fee. Any Trustee can execute any work in any organisation to draw salary, honorarium, prize, allowance or fee thereof.
9. Investments: By a majority as they deem fit, and as per Indian Trust Act, or in the limited commodities, share or in immovable properties or in the bonds with the Bank, this Trust's money can be invested but such investment will be subject to any two or Trustees' name on behalf of the trust.

- 10. No Trustee will be held responsible for the management of the Trust, if he performs duty with his good faith and ability but his responsibility will not be considered less if the Trust sustains any loss on account of his willful involvement in such bad deeds.
- 11. For the written document of the said Trust or about the meaning of the same, if any doubt arises, the decision taken by a majority of the Trustees will be considered as final.
- 12. Under any circumstances, if the work of the Trust discontinue, the moveable or immoveable properties can be handed over to such organisation who have equal objectives in Gujarat State.
- 13. Keeping in mind the main objectives of this Trust, by a majority of 2/3rd, the Trustees can alter or add in any of the clauses of the constitution. For this purpose, presence of willing-to-do members in required number will become essential.

As foregoing, by all of us, the document of the Trust Deed has been made out by intelligence and wisdom which is binding to all of us and to all those trustees we are followed by.
